Ministry of Attorney General

HON. BRIAN SMITH, Q.C.
Attorney General of British Columbia

M. L. MCCAUSLAND
Director of Film Classification

Honourable Brian Smith, Q.C.
Attorney General
VICTORIA, B.C.

SIR: I have the honour to lay before you a report of the business done in pursuance of the Film Classification Branch during the fiscal year ended December 31, 1984.

Mary-Louise McCausland

- Director

February 10, 1986

INTRODUCTION

The Motion Picture Act of 1979 is the authority under which this Branch operates. All pictures to be shown to the public must first be submitted to the Director for classification. The three categories of classification are GENERAL, MATURE and RESTRICTED. A warning indicating the possibly objectionable content of a film may be assigned as part of the classification.

The Annual Report of Film Classification is based on a calendar year. During the past year, 27 features and 1 short film have been given the experimental 14 YEARS - LIMITED ADMISSION category. To date, most reports concerning the information value of this category have been favourable.

The number of films continue to drop due to a decline in the number of arcade films being submitted. It appears that the arcades may have been affected by the rise in the popularity of video.

I hope that you will find this report useful and informative.

MARY-LOUISE McCAUSLAND
Director
